CAPE COST CASTLE **VR**

Oculus Quest Catalogue

The VR tour explores Cape Castle slave dungeons and the door of no return. The door was the point out of which many, perhaps millions, of African slaves took the final step from their home continent and onto the slave ships that would bring them to the new world, if they even survived the journey.

Device Overview

OCULUS QUEST 2 IS A VIRTUAL REALITY (VR) HEADSET CREATED BY OCULUS, A BRAND OF FACEBOOK. IT IS THE SUCCESSOR TO THE OCULUS QUEST. IT WAS ANNOUNCED AT FACEBOOK CONNECT 7 AND SHIPPED ON OCTOBER 13, 2020.
